CAREFREE SERIES

PREMIUM+ 100% ACRYLIC

The **Carefree** series is a premium-plus line of 100% acrylic products available in both flat and enamel finishes. This product line offers excellent stain and dirt resistance, superior hide, color retention, and strong adhesion. Carefree can be applied over new or previously painted drywall and plaster walls, delivering top-tier performance with blocking resistance, exceptional scrubability, and durability. Additionally, it is formulated for outstanding weather resistance, making it suitable for exterior use.

Key **benefits** of the Carefree series include:

- **Superior Hide and Coverage**
- **100% Acrylic**
- **Exceptional Adhesion**
- **Strong Blocking Resistance**
- **Exceptional Scrub Resistance**
- **Long-Lasting Gloss Retention**
- **Low Odor & Low V.O.C**
- **MPI Approved**
- **LEED Compliant**
