# PRIME-ZALL

## 100% WATER-BASE EPOXY STAIN BLOCKER

**Carefree Prime-ZALL** is an innovative 100% water-based epoxy universal primer developed with breakthrough technology to offer unparalleled stain blocking for both interior and exterior applications. This unique formulation provides superior performance compared to traditional solvent-based primers. Prime-ZALL adheres to a variety of substrates, including previously painted alkyds with a gloss finish. Its quick-drying properties allow a finish topcoat to be applied within 40 minutes after application.

Key **benefits** of Prime-ZALL include:

- **Single Coat Application**
- **100% Epoxy Resin**
- **Effective Stain Blocking**
- **Excellent Enamel Holdout**
- **Meets Low and Exceeds Air Quality Standards**
- **Perfect for Both Interior and Exterior Applications**
- **Low Odor & Low V.O.C**
- **Tintable to Pastel Colors**
- **LEED Compliant**
